Total Fees Due $ _____

* **Renewing Salmon Vessel Permits** - For the 2007-2008 permit year, the fee will be waived for any one required to obtain a commercial salmon vessel permit, commercial fishing salmon stamp, or john doe commercial fishing salmon stamp. However, owners of commercial fishing salmon vessels are still required to obtain and pay the fees for a commercial boat registration and commercial fishing license. Owners of commercial passenger fishing vessels are still required to obtain a commercial boat registration and commercial passenger fishing vessel license, if they will allow anglers to sport fish for a fee for salmon from their vessel.

** The vessel owner must purchase a commercial boat registration for the boat before a commercial passenger fishing vessel license can be issued. Commercial passenger fishing vessels operating south of Point Arguello are required to have a valid commercial ocean enhancement stamp.

*** The vessel owner must purchase a commercial fishing license before a Dungeness crab vessel permit can be renewed even if the owner does not intend to commercially fish during the 2007-2008 license year.

If paying by check or money order, make payable to the Department of Fish and Game (DFG).
