

California Marine Life Protection Act Initiative SCRSG: Interests and Areas of Expertise

Please complete and bring this form with you to the breakout group activity on interests and areas of expertise. You will have the opportunity to verbally share responses, with reference maps for visual aid, during the breakout session. Staff will collect and compile these questionnaires into a summary that will be shared with the regional stakeholder group.

Name: _____

1. What primary and secondary affiliations do you hold?

2. What are your interests in and uses of the ocean in the study region?

3. What geographic areas of the study region are you most familiar with?
