

**California Marine Life Protection Act Initiative
Informational Videos Available to the Public
*January 24, 2011***

MLPA Initiative Informational Video

Developed specifically for the MLPA North Coast Study Region, this 15-minute video provides an overview of the Marine Life Protection Act (MLPA) and the MLPA Initiative. The video also identifies numerous ways in which interested members of the public could participate in the north coast MPA planning process. The video is available at <http://vimeo.com/7693446>.

MarineMap Instructional Video

Updated to reflect the MLPA North Coast Study Region, the *Introduction to MarineMap* provides a 5-minute overview designed to introduce the public to this innovative tool. The video also provides basic instruction for drawing and labeling proposed MPAs. The video is available at <http://marinemap.org/decision-support-tool/tour/tour>.
