This map represents a portion of the Revised Round 3 MLPA North Coast Regional Stakeholder Group (NCRSG) Marine Protected Area (MPA) Proposal; on October 26, 2010 the MLPA Blue Ribbon Task Force recommended that this MPA proposal be forwarded to the California Fish and Game Commission for consideration. The MPAs are shown in geographic clusters and include the proposed commercial and recreational uses as well as the proposed recreational uses intended to accommodate tribes and tribal communities. Tribal uses were developed based on input from California north coast tribes and tribal communities. The NCRSG also developed proposed special closures that are also being forwarded to the commission; special closures are a separate recommendation from the Revised Round 3 NCRSG MPA Proposal. More information on the Revised Round 3 NCRSG MPA Proposal, other MPA proposals, or the special closures recommendation can be found at [http://www.dfg.ca.gov/mlpa/mpaproposals\\_nc.asp](http://www.dfg.ca.gov/mlpa/mpaproposals_nc.asp).
