

**California MLPA North Coast Regional Stakeholder Group**  
**Recommendation for the MLPA Blue Ribbon Task Force to Consider**  
***September 14, 2010***

An additional recommendation the MLPA North Coast Regional Stakeholder Group (NCRSG) would like to have strongly considered by the MLPA Blue Ribbon Task Force is renaming the Ten Mile marine protected area cluster in honor of our former NCRSG member Harold "Skip" Wollenberg.

The NCRSG recommends "Skip Wollenberg/Ten Mile State Marine Reserve", "Skip Wollenberg/Ten Mile State Marine Conservation Area" and "Skip Wollenberg/Ten Mile Estuary" for the Ten Mile marine protected area cluster.
