

California Marine Life Protection Act Initiative North Central Coast Project

**Side-by-Side Comparison (maps and proposed regulations) of the
North Central Coast Marine Protected Area (MPA) Proposals 0 (existing
MPAs), 1-3, 2-XA, 4 and Integrated Preferred Alternative**

Subregion 3: Bodega Head to Double Point

MLPA North Central Coast Study Region: Subregion 3

Bodega Head to Double Point

Proposals 1-3, 2-XA, and 4

- North Central Coast Study Region
- Public Lands
- Predicted Hard Substrate
- Proposed Special Closure
- Proposed SMCA
- Proposed SMP
- Proposed SMR
- Proposed SMRMA

Proposals 1-3, 2-XA and 4 were finalized on March 19, 2008 by work teams within the MLPA North Central Coast Regional Stakeholder Group (NCCRSR). Allowed uses are summarized for SMCAs and SMPs. Further information on each MPA proposal (including complete allowed uses text) can be found in the associated text documents.

California MLPA North Central Coast Project
Comparison of North Central Coast MPA Proposals and Proposed Regulations: Proposals 1-3, 2-XA and 4
Revised April 30, 2008

Subregion	Proposal 1-3 (3/19/08 version)		Proposal 2-XA (3/19/08 version)		Proposal 4 (3/19/08 version)	
	MPA Name (Level of Protection)	Proposed Regulations	MPA Name (Level of Protection)	Proposed Regulations	MPA Name (Level of Protection)	Proposed Regulations
Bodega Head to Double Point (Subregion 3)	Estero Americano State Marine Reseve (Very high)	All take of living marine resources is prohibited	Estero Americano State Marine Recreational Management Area (Very high)	All take of living marine resources is prohibited except recreational hunting of waterfowl is allowed unless otherwise restricted by hunting regulations (sections 502, 550, 551, and 552).	Estero Americano State Marine Reseve (Very high)	All take of living marine resources is prohibited
	Estero de San Antonio State Marine Reserve (Very high)	All take of living marine resources is prohibited	Estero de San Antonio State Marine Recreational Management Area (Very high)	All take of living marine resources is prohibited except recreational hunting of waterfowl is allowed unless otherwise restricted by hunting regulations (sections 502, 550, 551, and 552).	Estero de San Antonio State Marine Reserve (Very high)	All take of living marine resources is prohibited
					Tomales Bay State Marine Reserve (Very high)	All take of living marine resources is prohibited
	Point Reyes State Marine Reserve (Very high)	All take of living marine resources is prohibited	Point Reyes Headlands State Marine Reserve (Very high)	All take of living marine resources is prohibited	Point Reyes State Marine Reserve (Very high)	All take of living marine resources is prohibited
	Point Reyes State Marine Conservation Area (Moderate-high)	All take is prohibited, EXCEPT recreational and commercial salmon trolling and take of Dungeness crab by trap.	Point Reyes Headlands State Marine Conservation Area (Moderate-high)	All take of living marine resources is prohibited except: 1). Only the following species may be taken commercially: pelagic finfish by hook and line (salmonids by troll only), coastal pelagic finfish by pelagic seine, market squid by pelagic seine, and Dungeness crab by trap/pot. 2). Only the following species may be taken recreationally: pelagic finfish by hook and line (salmonids by troll only), coastal pelagic finfish by pelagic seine, market squid by pelagic seine, and Dungeness crab by trap/pot.	Point Reyes State Marine Conservation Area (Moderate-high)	Take of all living marine resources is prohibited EXCEPT the commercial and recreational take of salmon (by trolling only) and Dungeness crab pots
	Drakes and Limantour Estero State Marine Reserve (Very high)	All take of living marine resources is prohibited	Estero de Limantour State Marine Reserve (Very high)	All take of living marine resources is prohibited	Drakes Estero State Marine Reserve (Very high)	All take of living marine resources is prohibited
	Drakes Estero State Marine Conservation Area (Low)	All take is prohibited, EXCEPT shellfish mariculture and recreational clamming until the mariculture leases/reservations of use expire	Drakes Estero State Marine Conservation Area (Low)	Take of all living marine resources is prohibited except: 1). Only the following species may be taken commercially: culture and harvest of various oyster species. 2) Only the following species may be taken recreationally: clams.	Drakes Estero State Marine Conservation Area (Low)	All take is prohibited, EXCEPT the existing mariculture lease.

MLPA North Central Coast Study Region: Subregion 3

Bodega Head to Double Point

Proposal 0 and Integrated Preferred Alternative

- North Central Coast Study Region
- Public Lands
- Predicted Hard Substrate
- Proposed Special Closure
- Proposed SMCA
- Proposed SMP
- Proposed SMR
- Proposed SMRMA

Proposal 0 illustrates California's existing state marine protected areas (MPAs) in the Marine Life Protection Act (MLPA) North Central Coast Study Region. The Integrated Preferred Alternative was developed during the April 22-23, 2008 MLPA Blue Ribbon Task Force meeting and draws from three MPA proposals drafted by the MLPA North Central Coast Regional Stakeholder Group. Allowed uses are summarized for SMCAs and SMPs. Further information on each MPA proposal (including complete allowed uses text) can be found in the associated text documents.

California MLPA North Central Coast Project
Comparison of North Central Coast MPA Proposals and Regulations: Proposals 0 and Integrated Preferred Alternative (IPA)
Revised April 29, 2008

Subregion	Proposal 0 (Existing MPAs)		Proposal IPA (4/23/08 version)	
	MPA Name (Level of Protection)	Proposed Regulations	MPA Name (Level of Protection)	Proposed Regulations
Bodega Head to Double Point (Subregion 3)			Estero Americano State Marine Recreational Management Area (Very high)	All take of living marine resources is prohibited except recreational hunting of waterfowl is allowed unless otherwise restricted by hunting regulations (sections 502, 550, 551, and 552).
			Estero de San Antonio State Marine Recreational Management Area (Very high)	All take of living marine resources is prohibited except recreational hunting of waterfowl is allowed unless otherwise restricted by hunting regulations (sections 502, 550, 551, and 552).
	Tomales Bay State Marine Park (Moderate-low)	No take EXCEPT recreational hook & line species (but not marine aquatic plants). Only lightweight, hand-carried boats may be launched/ operated in SMP.		
	Point Reyes Headlands State Marine Conservation Area (Moderate-low)	No take EXCEPT commercial take of finfish and algae (except giant and bull kelp).	Point Reyes State Marine Reserve (Very high)	All take is prohibited
			Point Reyes State Marine Conservation Area (Moderate-high)	All take is prohibited, EXCEPT recreational and commercial salmon trolling and take of Dungeness crab by trap.
	Estero de Limantour State Marine Conservation Area (Moderate-low)	No take EXCEPT commercial take of finfish and algae (except giant and bull kelp).	Estero de Limantour State Marine Reserve (Very high)	All take is prohibited.
		Drakes Estero State Marine Conservation Area (Low)	All take is prohibited, EXCEPT shellfish mariculture and recreational clamming. If at any time, it becomes feasible to create an SMR at Drakes Estero, this proposal recommends doing so.
