

Application for Nomination to the South Coast Stakeholder Group

- Michael Harrington

Santa Barbara,

- Forty (40) years of commercial fishing experience from Pt. Conception to Mexican border. Fishing experience includes lobster, rock cod, swordfish, shark, sea urchin and abalone. Lived and fished out of San Diego for 3 years, Avalon for 13 years, San Pedro for 4 years and Santa Barbara for 20 years.
- 1. I served as alternate on the California Sea Urchin Commission while participating in various committees.
 2. Presently serve on the executive committee of the California Abalone Association.
 3. Presently serve as Treasurer/manager/bookkeeper for the Commercial Fishermen of Santa Barbara.
 4. Presently serve as President of the Fishermen's Oil Response Team Association.
 5. Presently certified by CDFG and Reef Check California as data collector.
- My involvement in past collaborative public processes has been behind the scenes as support.
- Besides the fisheries listed above I am acquainted and interact daily with fishermen of every persuasion.
- I am proficient in Excel, Word, Access and Outlook, can type 30 wpm and use a PC (notebook, desktop).
