

California MLPA South Coast Project
Side-by-Side Comparison of Proposed Regulations in BRTF Marine Protected Area Options
Created October 22, 2009; Document revised Oct. 30, 2009

	Option 1		Option 2		Option 3		Option 4	
	MPA Name (Level of Protection)	Proposed Allowed Uses	MPA Name (Level of Protection)	Proposed Allowed Uses	MPA Name (Level of Protection)	Proposed Allowed Uses	MPA Name (Level of Protection)	Proposed Allowed Uses
Point Dume Options	Option 1 Point Dume SMCA (high)	The take of all living marine resources is prohibited except: 1. The recreational take of Pelagic finfish by Spearfishing; Pacific bonito by Spearfishing; and White seabass by Spearfishing. 2. The commercial take of Coastal pelagic finfish by Pelagic round haul nets; Market squid by Pelagic round haul nets; Market squid by Dip net; and Swordfish by Harpoon.	Option 2 Point Dume SMCA (high)	The take of all living marine resources is prohibited except: 1. The recreational take of Pelagic finfish by Spearfishing; Pacific bonito by Spearfishing; and White seabass by Spearfishing. 2. The commercial take of Coastal pelagic finfish by Pelagic round haul nets; Market squid by Pelagic round haul nets; Market squid by Dip net; and Swordfish by Harpoon.	Option 3 Point Dume SMCA (high)	The take of all living marine resources is prohibited except: 1. The recreational take of Pelagic finfish by Spearfishing; Pacific bonito by Spearfishing; and White seabass by Spearfishing. 2. The commercial take of Pacific bonito by Pelagic round haul nets; Coastal pelagic finfish by Pelagic round haul nets; Market squid by Pelagic round haul nets; Market squid by Dip net; and Swordfish by Harpoon.		
	Option 1 Point Dume SMR (very high)	Take of all living marine resources is prohibited.	Option 2 Point Dume SMR (very high)	Take of all living marine resources is prohibited.

	MPA Name (Level of Protection)	Proposed Allowed Uses	MPA Name (Level of Protection)	Proposed Allowed Uses	MPA Name (Level of Protection)	Proposed Allowed Uses	MPA Name (Level of Protection)	Proposed Allowed Uses
San Diego Options	Option 1, 2 & 3 Swami's SMCA (high)	The take of all living marine resources is prohibited except the recreational take of Pelagic finfish by Spearfishing.	Option 1, 2 & 3 Swami's SMCA (high)	The take of all living marine resources is prohibited except the recreational take of Pelagic finfish by Spearfishing.	Option 1, 2 & 3 Swami's SMCA (high)	The take of all living marine resources is prohibited except the recreational take of Pelagic finfish by Spearfishing.	Option 4 Del Mar SMR (very high)	Take of all living marine resources is prohibited.
	Option 1, 2 & 3 San Elijo Lagoon SMR (very high)	Take of all living marine resources is prohibited.	Option 1, 2 & 3 San Elijo Lagoon SMR (very high)	Take of all living marine resources is prohibited.	Option 1, 2 & 3 San Elijo Lagoon SMR (very high)	Take of all living marine resources is prohibited.	Option 4 San Dieguito Lagoon SMR (very high)	Take of all living marine resources is prohibited.
	Option 1, 2 & 3 San Diego-Scripps Coastal SMCA (moderate low)	The take of all living marine resources is prohibited except the recreational take of Coastal pelagic finfish by Dip net. Proposed allowed use: Recreational, coastal pelagic finfish, by hook and line. Purpose is to allow the taking of bait fish by jigging in the Scripps Pier shadows where they congregate. This location is the primary kayak fishermen's bait source for La Jolla fishing. They do not use dip nets, the only listed method for the target species in Marine Map.
